

Early Horizons' Satellite Learning Space Station Program

Transitional Kindergarten through 8th grade

We are excited to announce the opening of our 2020/21 full day distance learning program for school age children from any elementary school. We are looking forward to your family joining us for this season. This year we will be offering a full day program to assist with your child's distance learning with the added bonus of STEAM and enrichment activities to complement the public school's curriculum. EH's max group sizes will remain at 12 children per classroom, unless Santa Clara County increases this amount. The full day program will run until the majority of elementary schools reopen for on campus learning, and no end date has been determined for this yet.

Full time (Monday through Friday 8am-5pm) attendance rate: \$1925 per month.

Part time (Monday through Friday 9am-1pm) attendance rate: \$950 per month.

Part time (Monday through Friday 1pm-5pm) attendance rate: \$950 per month.

In order to best accommodate our families, we are asking that you acknowledge the below requirements to confirm your needs for the 2020/21 school year. Your first month's payment is required upon submission of this form to secure your child's seat. Please return this form and make your payment immediately to guarantee your child's spot.

Spaces are limited, so your immediate response is recommended!

My child, _____ is in _____ grade at _____ elementary school.

First day of school is on _____, and this is the day my child will start at Early Horizons' Satellite Learning Space Station.

I understand I will need to provide the following equipment and supplies for my child.

- A protective mask or face covering.
- A computer/laptop with a charging cable.
- Access to any online portal my child uses to be successful in distance learning.
- A cold/non warm up lunch with ice packs.

By signing this form, I acknowledge that in person guidance during distance learning will be provided by Early Horizons until the public school system reopens. Should this change happen mid month, Early Horizons will prorate the last month's fees. Attendance in this program does not guarantee attendance in our after school program, as that program may only be dedicated to a single Cupertino Union School District elementary school. I understand that if my child does not attend the first week of distance learning (August 12th-14th 2020) despite having turned in this form, I forfeit my child's spot and first month's payment.

Parent/Guardian Signature: _____

Today's Date: _____

To be completed by Early Horizons Administrators

Form received by: _____ on _____ 2020.

Spot number _____ of 24 is being held -- OR -- Spot number _____ on waitlist.
