by us. No more worrying about providing a birthday snack for lots of children; let us handle it!

To prevent too many sugary treats with a birthday happening as often as 8 times a month, we want to celebrate the month's birthday kiddos in one fun party. **On the second Tuesday of every month we will serve 3 o'clock snack** with a fresh fruit and a homemade, organic cupcake made by our very own Ms. Julie. Parents of the birthday kiddos are welcome to come celebrate at that time as well. (Specialty cupcakes will be made for any child with an allergy).

And not to worry, your child will still feel special on their actual birthday! Each classroom will develop their own way of celebrating your child on their very own day. No outside treats will be accepted from parents on any day. Thank you in advance!
